

Dosage:

Not relevant

Shelf-life:

9 months

Packing:

Divison 40 is available in a 20L jerrycan, 210L barrel, 1000L IBC.

Divison 40

100% vegetable oil for dough dividers and funnels.

Divison 40 is a thicker vegetable measuring oil for older measuring equipment (8 years and above). It is also an excellent thick slicing oil with very good bonding properties, so less oil is needed (cost in use benefit).

Advantages: Divison 40

- Especially developed for older dough measuring equipment
- Thicker oil (good bonding properties)
- Cost in use benefit
